INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
US Securities International Corp.
New York, New York

Gentlemen:

We have audited the accompanying statement of financial condition of US Securities International Corp. as of September 30, 2015 and the related statements of income, changes in stockholders' equity, and cash flows for the twelve months then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis of designing procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly we express no such opinion. An audit includes examining on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of US Securities International Corp. as of September 30, 2015 and the results of its operations and its cash flows for the year then, ended in conformity with accounting principles, generally generally accepted in the United States of America, the rules of the Securities and Exchange Commission, and the rules of the Public Company Accounting Oversight Board.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in the supplementary schedules on pages 11 through 13 is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5 of the Securities and Exchange Commission. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Very truly yours,

Michael Damsky.

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2015

NOTE 1--Business and Summary of Significant Accounting Policies

U.S. Securities International Corp. (the "Company") was purchased from Fidelity Management and Research Co. in 1974 by the operating personnel who have owned and operated the Company since that date. The Company is a registered broker-dealer with the Securities and Exchange Commission (SEC) and the Financial Industry Regulatory Authority (FINRA) and is a member of the Chicago Board Options Exchange (CBOE).

The Company clears transactions on a fully disclosed basis and does not carry customer accounts and is exempt from Securities and Exchange Commission Rule 15c3-3 under paragraph k (2)(ii).

The following is a summary of significant accounting policies followed by the Company:

Accounting Method

Assets, liabilities, income and expenses are recorded on the accrual basis of accounting.

Revenue Recognition

The Company records all securities transactions, including commission revenue and related expenses, on a settlement-date basis. There is no material difference between settlement date and trade date.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash equivalents include short-term highly liquid investments, such as short-term deposits. Cash and cash equivalents consist primarily of cash and money market funds held primarily at two major financial institutions.

Other Comprehensive income (loss)

The Company presents other comprehensive income in accordance with ASC Section 220, Comprehensive Income. This section requires that an enterprise (a) classify items of other comprehensive income by their nature in a financial statement and (b) display the accumulated balance of other comprehensive income separately from retained earnings and additional paid in capital in the equity section of a statement of position. The Company reports its unrealized gains and losses on investments in securities, net of deferred taxes, as other comprehensive income (loss) in its financial statements.

U.S. SECURITIES INTERNATIONAL CORP.

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2015

NOTE 1--(cont.)

Assets and liabilities measured at fair value

The Company uses the following hierarchy to prioritize the inputs used in measuring fair value in accordance with SFAS No. 157, Fair Value Measurements.

Level 1 - Quoted market prices (unadjusted) in active markets for identical assets or liabilities;

Level 2 - Inputs other than quoted market prices included within Level 1 that are either directly or indirectly observable;

Level 3 - Unobservable inputs in which little or no market activity exists, therefore requiring an entity to develop its own assumptions about the assumptions that market participants would use in pricing.

Financial instruments including cash and cash equivalents, marketable securities, accounts payable and accrued expenses are carried in the financial statements at amounts that approximate fair value at September 30, 2015. Investments were valued using Level 1 inputs.

NOTE 2-- Receivable from and Deposit with Clearing Broker

The Company's clearing operations are provided by a nationally recognized clearing broker. At September 30, 2015 the amount receivable from clearing broker reflected in the Statement of Financial Condition is due from this clearing broker in connection with such services.

The same clearing broker acts as custodian for money market mutual fund shares.

NOTE 3- Investment in Marketable Securities

Investments are classified as available-for-sale according to the provisions of ASC Section, 320, Investments - Debt & Equity Securities. Accordingly, the investments in marketable securities are carried at fair value with unrealized gains and losses reported separately in other comprehensive income. Realized gains and losses are calculated using the original cost of those investments.

In June 2010, the Company received 80,000 shares of CBOE holding Corp. in place of its previously held membership exchange seat when the CBOE completed its initial public offering. The Company originally valued the CBOE membership exchange seat at \$1 when it was received in 1974 from Fidelity Management and Research Company. The Company basis in the CBOE shares is similarly \$1.

U.S. SECURITIES INTERNATIONAL CORP.

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2015

NOTE 3- Investment in Marketable Securities (cont):

The carrying amounts of investments in marketable securities as shown in the balance sheet and their approximate market values at September 30, 2015 were as follows:

Investments in marketable securities, at cost	\$ 98,885
Net unrealized gain	<u>2,455,129</u>
Investments in marketable securities, at market	\$ <u>2,554,014</u>

NOTE 4 -- Net Capital Requirements

The Company is subject to the Securities and Exchange Commission ("SEC") Net Capital Rule, which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1.

As of September 30, 2015, the Company had net capital of \$1,954,168 which was \$1,908,150 in excess of the minimum net capital. The Company's ratio of aggregate indebtedness to net capital was 1.04 to 1.

The Company clears all transactions with and for customers on a fully disclosed basis with a clearing broker. Accordingly, the Company is exempt from the requirements of SEC Rule 15c3-3. Under its clearing agreement, the Company could ultimately be held liable for the non-performance of its customers.

NOTE 5 -- Commitments and Contingent Liabilities

Lease

By agreement the original lease dated September 30, 2003 was amended extending the term of the original lease for 3 years commencing on December 1, 2013 and expiring on November 30, 2016. The lease requires monthly payments of \$6,128 per month throughout the lease. The lease is subject to escalations based on taxes and other costs. At September 30, 2015, future minimum payments are as follows:

2015	73,530
2016	67,408

Rent expense for the year ended September 30, 2015 under this lease, amounted to \$83,987. The difference between the actual rent expense incurred by the Company and the minimum annual rental payments as reported in the prior year's financial statements is due to real estate and porter wage escalation charges.

U.S. SECURITIES INTERNATIONAL CORP.

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2015

NOTE 6 -- Related party transactions,

At September 30, 2015 the Company advanced funds of \$538,553 to its employees. These advances do not bear interest.

The Company rents property on a monthly basis from a firm owned by an executive officer and shareholder of the Company, for the purpose of record retention and data security. For the year ended September 30, 2015 such rental payments aggregated \$18,000 and are included in operations.

NOTE 7-- Income Taxes

There is no provision for income tax for the year ended September 30, 2015. The Company has net operating losses greater than its income

Deferred income tax provision:

Deferred income tax provision - current period	\$ 613,782
Deferred income tax provision - prior period	<u>568,703</u>

Deferred income tax provision	<u>\$ 45,079</u>
-------------------------------	------------------

Deferred tax liabilities are recorded when revenues and expenses are recognized in different periods for financial and income tax reporting purposes. The Company's deferred tax liabilities are primarily a result of an unrealized gain on the shares of CBOE received in an IPO in June, 2010, which is not taxable to the Company until such shares are sold.

The deferred income tax provision provided above is netted against the unrealized gain that is reflected as accumulated other comprehensive income.

The Company files its tax returns on a June 30 fiscal year. For the year ending June 30, 2015, the Company incurred no corporate income taxes.

NOTE 9-Pension Plan

The Company has a qualified, self-directed, defined contribution pension plan covering employees. For the year ended September 30, 2015, the Company contributed \$ 71,336 to the plan, an amount equal to 25% of each participant's compensation for the period October 1, 2014 through September 30, 2015.

U.S. SECURITIES INTERNATIONAL CORP.

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2015

NOTE 10 -- Off Balance Risk

Pursuant to a clearing agreement, the Company introduces all its securities transactions to its clearing broker on a fully disclosed basis. All of the customers' money balance and long and short security positions are carried on the books of the clearing broker. In accordance with the clearance agreement, the Company has agreed to indemnify the clearing broker for losses, if any, which the clearing broker may sustain from carrying transactions introduced by the Company and must maintain, at all times, net capital of not less than \$5,000. In accordance with industry practice and regulatory requirements, the Company and the clearing broker monitor collateral on the customers' accounts.

In the normal course of business, the Company's customer activities involve the execution, settlement and financing of various customer securities transactions. These activities may expose the Company to off balance-sheet risk in the event the customer or other broker is unable to fulfill its contracted obligations and the Company has to purchase or sell the financial instrument underlying the contract at a loss.

NOTE 11 -- Concentration of Credit Risk

The Company maintains its cash in financial institutions, which at times, may exceed federally insured limits. The Company has not experienced any losses in such accounts and believes it is not subject to any significant credit risk on cash.

NOTE 12 — Subsequent Events

Management has evaluated all subsequent events through November 20, 2015 the date that these financial statements were available to be issued.

Dear Mr. Coppa:

We have reviewed management's statements, included in the accompanying Financial Report in which U.S. Securities International Corp. identified the following provisions of 17 C.F.R. § 15c3-3(k) under which: U.S. Securities International Corp claimed an exemption from 17 C.F.R. § 240.15c3-3: U.S. Securities International Corp. identified 15c-3-3(k)(2)(ii) and U.S. Securities International Corp. stated that it met the identified exemption provisions throughout the most recent fiscal year without exception. U.S. Securities International Corp management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about U.S. Securities International Corp. compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k) (2)(ii), of Rule 15c3-3 under the Securities Exchange Act of 1934.

To the Board of Directors
U.S. Securities International Corp.
New York, New York

We have examined the financial statements of US Securities International Corp as required by the Financial Industry Regulatory Authority and the Securities and Exchange Commission as of September 30, 2015 and have issued a report thereon dated November 20, 2015. In accordance with rule 17a-5(e) (4) of the Securities and Exchange Commission, we have performed the following procedures with respect to the accompanying schedule (Form SIPC-7) of Securities Investor Protection Corporation assessments and payments of US Securities International Corp for the year ended September 30, 2015. Our procedures were performed to solely to assist you in complying with rule 17a-5(e)(4), and our report is not to be used for any other purpose. The procedures we performed were as follows:

1. Compared listed assessment payments with respective cash disbursement records entries;
2. Compared amounts reported on the audited form X-17A-5 for the period October 1, 2014 to September 30, 2015, with the amounts reported in the General Assessment Reconciliation (Form SIPC-7);
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers;
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting adjustments; and
5. Compared the amount of any overpayment applied with the Form SIPC-7 on which it was computed.

Because the above procedures do not constitute an audit made in accordance with generally accepted auditing standards, we do not express an opinion on the schedule referred to above. In connection with the procedures referred to above, the amounts shown in Total Revenue do not reflect the clearance fees paid to other SIPC members and those fees were similarly not reflected in expenses.

Other than the information reflected above nothing came to our attention that caused us to believe that the amounts shown on Form SIPC-7 were not determined in accordance with applicable instructions and forms. This report relates only to the schedule referred to above and does not extend to any financial statements of US Securities International Corp taken as a whole.

Very truly yours,

Michael Damsky
